Professional Experience and Curriculum Vitae

Established by Joe and Enza Surace in 1988, Aquazone Pools is a well recognised and respected concrete and fibreglass pool building company based in Shepparton, Victoria. Aquazone Pools has built pools all over Regional Victoria and has earned the reputation for excellence in design and construction.

What do you want in your backyard resort?

- a simple plunge pool.
- a large fibreglass pool for all of the kids to play in.
- a designer spa to relax in.
- a lap pool to keep fit.
- all of the above!

No matter what type of pool or spa that you desire, the team at Aquazone Pools can make it a reality. With unique design and construction methods that allow them to provide customised designs, Aquazone Pools provides cost-efficient pool construction services.

The Aquazone Pools headquarters is in Shepparton, but the team has provided homeowners all over Regional Victoria with stunning pools and spas, including: Wangaratta, Echuca, Bendigo, Seymour and North Melbourne.

Thinking fibreglass pools Victoria - Think Aquazone Pools.

In order to provide a hassle free pool building service, the team at Aquazone Pools offers personal advice and support on all aspects of swimming pool ownership, and ongoing after-sales support. The friendly service staff will assist you from initial contact to the final handover.

As one of the most experienced pool building teams in the region Aquazone Pools is the team that you can trust for high quality, cost-efficient concrete and fibreglass pools.

For more information on why Aquazone Pools is the premier pool building team in the region, visit the official website at www.aquazonepools.com.au.
