Professional Experience and Curriculum Vitae

I am nothing more than just another ordinary young man living in Sydney, Australia and working as an Designer & Art Director by the day and a caped crusader by the night. I venture to make pretty things with cameras, pencils, mouses (the plastic kind, not the living and furry ones!) and so forth.

Always on the bend for new ventures, opportunities such as collaborative, commissioned (short & long term) work.

Previous Clientele

Mooks, Lee's Jeans, K•Swiss, Royal Elastics, L'Oreal, Redken, Bowen-Paul Arico, Daniel Thawley, The KDU, UV Magazine, Hint Magazine, Computer Arts, Sydney Olympics Park, BP Solar, Reeves, Jasco, State of Tomorrow, JAG Black, Whitehouse Institute of Design, Jana Bartolo, Imagine Publishing, depthcore LCC and Weekend Magazine.
