Professional Experience and Curriculum Vitae

I've been a life long photographer and consider myself lucky to have so many friends in the industry. I've come from a photo/cine production and creative background, with over 25 years in the industry.

When I am not behind the lens I spend time with my partner Olivia and our many dogs, cats, horses, sheep and Grace our fox. When I am not spending time with my family I can be found snowboarding, mountain biking, hiking, trail running or searching for the coolest vintage motorcycle around.
