

## **Professional Experience and Curriculum Vitae**

I am working as an Attendance clerk in Ardan's company, I gain a lot of experience in the different-different field. I believe self-learning, love yourself, know about your talent then you get success in your life. I like listening to music and read books, Last month, I read a book named "Vashikaran", is based on the genuine tantrik in Bangalore topic. It is a very interesting book.
