HOPE DINNER & CONCERT
Saturday, October 22, 2005 6:30 pm American Club in China

 Our HOPE baby this year is presently one year and three months old and was born with Cerebral Palsy. His parents entrusted him to the Cathwai Orphanage at birth, because they were unable to support him. Every week, he goes to Wan Fang Hospital for Physical and Occupational Therapy. These weekly sessions have helped him to sit up, crawl slowly, and turn. He can now also reach out for toys, spoons, and can imitate sounds.

How the funds raised by HOPE and YOU can help:

1. Purchase braces for his legs.
2. Pay for Physical and Occupational Therapy.
3. Purchase other equipment to assist him with his daily activities.

 The HOPE symbol uses the Chinese ideogram script character 'bao' 保, which means to protect and nurture. It symbolizes our desire to nurture and care for those in need.

Tickets available at American Club in China 2885-8260
