## Professional Experience and Curriculum Vitae

In his 20+ year career, Ron Wyatt has photographed a wide range of subjects, including international sporting events, world leaders, celebrities and religious figures. He has covered NBA, NFL and Major League Baseball, and his photos have appeared in many publications and on-air broadcasts, including ESPN, USA Today, Time Magazine and TV Guide. Major corporations, including Six Flags, Eastman Kodak, Continental Airlines, CVS, Pepsico, Verizon and many others regularly call on Wyatt for his editorial and corporate photographic services. As the leader of multiple international photographic tours, Ron has helped others improve their photography through hands-on instruction and daily critiques.

His Olympic work has been featured in Studio Photography Magazine and Rangefinder Magazine, and he has shared his images and personal stories through lectures and presentations at photo conventions, schools, camera clubs and other locations, including Calumet Photo, WPPI Las Vegas, Berks Photographic Society and Hallmark Institute of Photography. Ron Wyatt's photographic prints on paper and canvas are sold through his website and via phone.
