## Professional Experience and Curriculum Vitae

Stacey Richardson graduated from Ryerson University (Toronto) with an Honours Degree in Fashion Communication and Design (BDes). Originally from Canada but now based in the UK, her clients include advertising agencies, Fortune 500 companies and fashion and image consulting businesses to name a few. She specializes in fashion and cityscape illustrations with a chic and exciting look that has proven to be popular in the media, fashion, entertainment and beauty industries. Many requests also come in for her pop art style images that are bright, bold and full of impact.
