Professional Experience and Curriculum Vitae

I design and produce exclusively British (from design concept to packaging in-house), hand painted greeting cards, unseen on the High Street. The cards' style combines vintage feel with contemporary element, therefore has commercial edge. They are true originals being individually hand painted and assembled to delight every customer.

Previous Clientele

Bentalls, Kingston Upon Thames

Leicester Tourist Centre

Wistow Gallery, Wistow Rural Centre

Jocalia, Wistow Rural Centre

Knighton Flowers, Leicester

Alladin's, Hinckley
