Professional Experience and Curriculum Vitae

A LITTLE ABOUT ME

Imagine a mixture of innovation, passion, dedication, expertise and artistic skills. Sabrina Salazar, is a lover of all things artistic and has a knack for creating ideas.

A little more about me... a multi-media freelance artist, always driven by that little spark of intuition that ignites the brain and asks, how can I make this happen? From illustration, to concept work, to design and motion graphics, Sabrina is always ready for a challenge.

I love art and design, and I believe that good communication should inspire an experience in the people who view it.

I believe there's a science, a chemistry for producing ideas and there is an art to creative thinking. My creativity, is born from a passion and love for what I do.
