## Professional Experience and Curriculum Vitae

I am currently a graphic designer for a small north London Creative Agency, called Inspire ([www.youinspire.me.uk](http://www.youinspire.me.uk)). I am responsible for all the companies graphic design needs on a daily basis, from brochures, adverts and dinner stationary for the charity dinner events to a full magazine publication called AtTheMatch Magazine. If you like my portfolio please get in touch we would love to work with you on any print design projects.
