Professional Experience and Curriculum Vitae

Santiago is a passionate illustrator born in Buenos Aires, Argentina. Creating characters, situations and worlds is what he loves to do since he was a child. Looking to improve his style constantly, he gives a touch of humor to illustrations, in which characters' expressions and colors are essential. He starts his sketches with pencil and ink to a final digital color rendition that gives his illustrations more strength and impact. In 2013 he illustrated the cover of "The Canoe" magazine, the first magazine made by designers for creative entrepreneurs in Argentina.
