Professional Experience and Curriculum Vitae

Alex Boake is a Toronto based illustrator and comic artist, educated at OCAD! Her current focus is on creating and illustrating delicious food and recipes. She also enjoys drawing and painting all sorts of little critters and whatchamacallits that would otherwise be trapped inside her head. When she's not cooking or drawing up a storm, Alex can be found selling crafts and prints of her illustrations at conventions and expositions, both local and afar.

Contact Alex for your freelance illustration projects. Her specialty is on food illustration, narrative projects, and children's book illustration.
