Professional Experience and Curriculum Vitae

ART DIRECTOR
GRAPHIC DESIGNER
BRAND STRATEGIST

PROFILE

I have an exceptional eye for detail, high personal work ethic and a desire to grow as a designer. I aspire to work within a professional team, where the creative culture is based upon mutual respect, discovery and pushing boundaries.

DIRECTION

Print and digital publications are of particular interest to me, along with book design, magazine layout, copy writing, image content and the intricacies of typography and type crafting.

Having spent time in retail and marketing has given me an insight into advertising and promotion. From an original thought, I love the process of developing a concept with raw ideology, logo construction and brand strategy. I'm a natural communicator and enjoy the pitch.

Creativity is the code by which I live, work and play, I see no separation, as I do what I love and love what I do.

Thanks for taking the time to visit my portfolio. Please feel free to return often, as I shall be sharing many more graphic design projects, concepts and updates in the future.
