### Professional Experience and Curriculum Vitae

Hello, I'm Shannon Gray. I'm a Denver-based designer and stylist.

With over 5 years experience in the design, styling and marketing industry, I have worked across multiple mediums on both small and large scale projects. I'm passionate about creating beautiful and meaningful content with a strategic purpose. While styling is my first love, I am equally as passionate about creating thoughtful and authentic brand stories across a variety of mediums including branding, print, packaging and digital design.

I recently designed a limited edition t-shirt to benefit people affected by Hurricane Harvey and I'm donating 100% of the shirt sale proceeds to the Houston Food Bank and the Hurricane Harvey Relief Fund. You can check out the shirt here: [www.shannongraydesign.shop](http://www.shannongraydesign.shop)
