## Professional Experience and Curriculum Vitae

With 8+ years experience working as a qualified graphic and web designer, I have worked with a variety of companies locally and internationally, designing and producing quality offline and digital design solutions.

Offering unique solutions for each client is a major strength, with effective visual design driving brand recognition and customer response.

As a creative thinker, throughout my career, I have always tried to ensure that the passion and enthusiasm for my work have shone through.

A highly talented, driven and flexible graphic designer with a proven record of delivering creative and innovative design solutions. A proven ability to develop projects from inception through production to final delivery, ensuring that all work is effective, appropriate and delivered within agreed timescales. Developing concepts and artwork, creating graphic design solutions from concept through to completion.
