Professional Experience and Curriculum Vitae

I am a 2D animator and director from Vienna.

We created SMOSH MOSH, an online cartoon voting where the community decides which settings, heroes and villains make it into our first 2D animated episode. It's time for randomness!

Awards and Accolades

I was born in 1991 in Vienna where I studied Graphic and Communication Design at "The Graphics School" (2005 to 2010). 2012 I learned about 2D animation at the "Animation School Hamburg". Currently I am studying at the "Filmakademie Baden-Württemberg"(4th year).

I created many short films over the past few years: "Pianoid" won the Short Tiger Award and was screened in Cannes and "Space Cocks" was officially selected at this years Annecy Festival.
