Professional Experience and Curriculum Vitae

As artists ourselves, we understand the importance of an altruistic company/artist relationship. We nurture these relationships and encourage artistic growth.

Relaxed Representation: Socii will never demand exclusive rights to any intellectual property for any length of time. Socii will also never limit an artist by restricting relationships or sales. What you create will always remain your own.

Consignment Policy: Socii will only ask to hold your work on consignment if there is a perspective client. Otherwise, artists are encouraged to hold on to their pieces.

Pay Scale: Although Socii does sometimes negotiate the price of a piece of art, it does so only to the artists benefit. The price agreed upon is the price paid.

Graphic Design: Socii offers heavily subsidized services such as web design, business card design, and photography for portfolios to help artists climb to the next step of the success ladder.

Free Scans: If represented artists agree to be part of the Limited Edition Print service Socii offers, Socii will scan paintings for free and give artists the digital file. The artist also receives a large portion of each sale made. ollos to help artists climb to the next step of the success ladder.
