Professional Experience and Curriculum Vitae

I enjoy creating exciting illustration and graphic design. I use a clean, fresh, and memorable graphic language. I believe that successful design is a combination of strong identity and function. I have six years experience in graphic design, illustration, branding and advertising. I graduated from the National academy of Arts in Sofia, earning a bachelor of Visual Communication. My interests are in field of typography, drawing, editorial design and all areas of graphic design and visual communication.

If you would like to talk about a creative project you can email me on soffstuff@gmail.com
