### QUESTIONS WHILE CHOOSING YOUR LANDSCAPER

Knowing how to choose your landscaper can be daunting for many people. This will give you an idea behind the scenes look at the landscaping profession and suggest few good questions to ask before you hire a landscaper.

## 01

#### WHAT ALL INFORMATION IS REQUIRED?

It will have a preference to take all their own site measurements and levels and gather all their own information. Know what is there and what it feels like to just be there.

## 02

#### WHAT PLANTS GROW WELL IN THIS AREA?

Your landscaper will confidently name few possible plants immediately about the range of plants that are grown in the area. A good designer will not just mention the pests but what plants they are commonly found on and whether they are a problem to control.

## 03

#### ARE THERE ANY BUILDING REGULATIONS THAT GOVERN WHAT WE MIGHT WANT TO CREATE?

The answer to this one will depend a lot on the project you have but expect to hear about building permits, planning permission, council zones and overlays.

## 04

#### HOW DO YOU WORK OUT WHAT DESIGN MIGHT BEST SUIT US?

The key element here is that the designer should be creating ideas and getting your feedback. This is a good way for designers to get a feel for what we should be designing for you before committing pen to paper.

## 05

#### HOW DO YOU MAKE SURE THE LANDSCAPE GETS BUILT AS INTENDED?

The key things to listen for in the answer are detailed accurate scale drawings and a good working relationship with whoever is building the project.

This ideas will know how to  
choose your landscaper.
