Spirit Vine Ayahuasca Retreat

WHAT TO CARRY FOR YOUR AYAHUASCA RETREAT IN BRAZIL

TOURIST VISA

Tourist Visas for citizens of some countries are required. Check with your nearest Brazilian consulate

NO VACCINATIONS REQUIRED

For people coming from all over the world, except few South American countries

BRAZILIAN CURRENCY

To pay taxis, tips, massage, and gifts

ROLL YOUR CLOTHES

Carry comfortable light-weight clothes suitable for tropical weather. Bring white clothes, cotton pants and socks for the ceremonies as it can get cold at night

MOSQUITO REPELLENT

The Atlantic rain forest is not as bad as the Amazon when it comes to mosquitoes, but it's better to use long pants after sunset and some organic repellent to prevent bites

PERSONAL CARE ITEMS

Remember to carry organic deodorant as the senses get amplified with ayahuasca

TWO PAIRS OF SWIMSUITS AND A TOWEL

To use in our natural lagoon or the breathtaking beaches nearby

FLASHLIGHT & TABLET

For use outside of ceremony. We also have Wifi in some areas of the retreat

LIGHT HAT AND SUNSCREEN

For protection from the strong Brazilian sun

LIGHTWEIGHT RAIN GARMENTS

Because sometimes it also rains.

1 PAIR OF FLIP-FLOPS

Or other shoes that are easy to take off. Don't forget to take comfortable closed shoes for jungle walks.

ART SUPPLIES AND A JOURNAL

To express your insights and the information downloaded during your Ayahuasca journeys

EAR PLUGS FOR SLEEPING

If you don't like your neighbor snoring

And the most important thing:

YOUR SMILE

Because you are going to Brazil!
