Professional Experience and Curriculum Vitae
You've already put your hands on Jim Steck's work – literally. Cups at Denny's, placemats at McDonald's, counter displays at Pizza Hut…Jim has illustrated many campaigns for a variety of national companies. Major magazines also appreciate Jim's humorous style, as evidenced in issues of Nickelodeon Magazine, Sports Illustrated for Kids, and Hey Kids! Magazine.

Jim enjoys illustrating books, especially children's books, where he can showcase his talent for fun, colorful backgrounds and character continuity. Jim and his wife Terri have recently published their first children's book "Little Rhino has no Horn."
