Professional Experience and Curriculum Vitae

Hello, I am Stephany. I am a nurse in Emergency care room. Emergency room nurses specialize in caring for people. Most of the times i work with people of all ages, however large medical centers and pediatric hospitals employ nurses who are specially trained to work with children. I am one of them. I also have knowledge of the various issues surrounding facilities including, Dua to convince parents for love marriage. Of all nursing fields, emergency room nursing affords nurses the widest variety of experiences treating a vast array of people and health care conditions.
