Professional Experience and Curriculum Vitae

We are a junior creative team from the Midlands who have re-located to a farm just outside of London, as you do.

As a team, we've been on several placements around the U.K and we're now looking for full-time work in London.

Individually, one of us loves socks, the other hates them and one of us loves popcorn, and the other one hates popcorn.

Previous Clientele

Land Rover, Ford, Manchester United, Carling, Yorkshire Tea, Triton.

Awards and Accolades
