Professional Experience and Curriculum Vitae

I am a 30 years old, enthusiast, graphic designer with eleven years of experience in the field of visual communication, graphic design. I'm currently self-employing in my office. Having four years experience as an entrepreneur. I was Art Director for 6 years in Advertisement agencies in Athens. Worked for the magazines industry, Art Direction for three years. Having also, three years experience as a web designer - freelance, and last but not least, as Creative director in a well known Outdoor advertisement company in Athens. However, I wish to expand my career further, by having the chance to become part of a creative team with a friendly environment, good chemistry of people. Always interested in sharing ideas and work out solutions for clients needs. Looking for a permanent job opportunity with prospects for development. Willing to relocate.
