Professional Experience and Curriculum Vitae

I'm a freelance Graphic Designer and Illustrator, with over 5 years of experience in the creative industry. I'm experienced in art direction, publishing, branding, typography, illustration, map illustration, newsletter design, editorial design, photo editing, print production, staff management, and more.

Most recently I worked as the Senior Designer at Time Out Australia, where I was in charge of the design & production of the monthly Sydney/Melbourne magazines, liaising with printers, managing flatplans, production schedules, and other staff members (designers, illustrators and photographers). During this time I've also continued to work as a freelance designer, producing logos, stationery, invites and more.

Currently I'm working as a Freelance Designer and Illustrator in London.
