Professional Experience and Curriculum Vitae

Hyperakt Design Group engages in design that communicates the client's core message, exceeds expectations and sets the bar against which global design is compared. At Hyperakt, graphic and multimedia design is more than just a job – it's a way of life.

Since its inception, Hyperakt has made a conscious effort to cater to clients of all sizes. Whether designing for local, community based initiatives and cultural institutions, or for larger national and international companies, the studio has maintained its high standards for excellence in visual communication regardless of project scale.
