## **Professional Experience and Curriculum Vitae**

Im 18 and to be honest looking for some extra cash. I'm Athlete, on the National Development Team for snowboardcross (racing). I plan on using the money i earn to get me closer to my goal, the Olympics! My art is a way for me to get my feeling out, weather they be good or bad. It keeps my head level so that i can stay focused on my goals.

## **Previous Clientele**
