Professional Experience and Curriculum Vitae

I am a Senior Digital Marketing Creative with an extensive track record in the New Media industry, having conceived and designed many successful creative marketing campaigns for some of the biggest brands in the United Kingdom and abroad. Over the years I have developed significantly beyond that of a standard Digital Creative having masterminded many advanced interactive digital solutions for companies such as Microsoft and Sky. This has involved utilizing a combination of digital marketing methods and strategies including advanced rich media banner campaigns, large responsive websites and advanced interactive digital solutions.
