Professional Experience and Curriculum Vitae

About—

Wendi Nordeck is a Portland based commercial photographer specializing in food, product and interiors.

I could go on and on about where I grew up, my first camera, my love of photography, but hopefully my work speaks for itself. I also think it's important to know your strengths — and writing is not one of them, so I will let these testimonials do the talking. As important as the end results are, how you get there matters just as much. It's a team effort and collaboration is one of my strengths. Let's work together soon! ~Wendi
