Professional Experience and Curriculum Vitae

HELLO!

My name is Ahmed Abd Al Aziz. I would like to welcome you to my design website, where you can view my illustrations, designs and photography. I've been working as a Graphic Designer for many years now, and the majority of the skills and knowledge that I acquired are self taught. I'm experienced in all types of digital and graphic art, but my favorite is designing icons and logos, that's where my passion is, and that is where I excel. Enjoy the blog... and feel free to leave your feedback.
