## Professional Experience and Curriculum Vitae

Zoe Ranucci  
Children's Book Illustration and Character Design

Hello! I am an independent design and illustration studio offering illustration for children's books and publications and character design. All art is digitally created on my iPad using Procreate, or on a Wacom Cintiq using Adobe Illustrator or Adobe Photoshop. My style is best for a younger audience, 3-8 and offers a touch of humor and whimsy with a colorful pallet. My career began in 1993 so I have a 'few' years of experience under my belt which is great because art is an ever evolving skill.:)
