Professional Experience and Curriculum Vitae
Alan Nahigian
Illustrator, Photographer and Writer

Alan Nahigian's photography and illustrations have appeared in print ads, book covers, compact discs, postage stamps, newspapers and magazines. As a Jazz photographer his work is featured in all of the major Jazz publications worldwide. Over sixty of his medical illustrations are presented in the advanced medical textbook, "Mastering Revision Rhinoplasty". His work has been exhibited in galleries and museums around the country, including the Delaware Art Museum, Baseball Hall of Fame in Cooperstown, The Society of Illustrators and a traveling exhibit sponsored by the Smithsonian. He has written about film and music for various publications and books, worked as an art director, booking agent, music producer and has competed two animated film shorts.
