Professional Experience and Curriculum Vitae
8faubourg is editor of contemporary furniture and objects Plastics Luxury.
18faubourg products are all made from a common material: plastic.

Precursors and initiator in plastic eco luxury products are from several years of research and developement t of this approach, our edition furniture and objects are always in a logical environment.

All articles published by 18faubourg are manufactured in a permanent concern of environmental protection, whether the manufacturing process, the materials used or in the reflection of its recyclability where degradability.

18faubourg is a French publisher. In the logic of openness and internationalization, we manufacture and distribute both in France and worldwide. Our concern is to manufacture the best products with the techniques and technologies are most appropriate. In fact, we are in constant search of the best manufacturing processes across Europe and the world.
