Professional Experience and Curriculum Vitae
ACCEL has provided a continuum of Special Needs Services since 1980, now serving 450 clients each year through our three major service offerings: our BISTA Applied Behavioral Analytics (ABA) therapeutic program for early intervention, our private nonprofit school system serving students from age 5-22 and our Adult Services Program that gives adults with disabilities a place to learn and grow. We specialize in providing a safe and encouraging learning environment so individuals can maximize their potential as they lead lives of dignity and self-worth.
