Professional Experience and Curriculum Vitae

Hello and thanks for viewing my profile.

I'm an illustrator, graphic designer, cartoonist, caricaturist, and art director.

So far, I have:

- designed hundreds of billboards.
- created hundreds of T-shirt designs.
- illustrated three books of poetry for children.
- written and illustrated sixty-two magazine articles.
- produced signage for nearly 400 hot dog vending carts.
- provided original event art for hundreds of car shows and events.
- created and installed vehicle wraps for race cars and food trucks.
- designed signage for themed attractions in both China and Vietnam.
- served four times as art director for Walt Disney Creative Entertainment.
- designed a full-size float for Universal Art and Design's Mardi Gras Parade.
- designed a full-size promotional vehicle for PIXAR's film, "Monsters University."
