Professional Experience and Curriculum Vitae

I am an illustrator and graphic designer with better than a decade of experience producing original event artwork for vintage car shows nationwide. I have written and illustrated over 60 magazine articles, illustrated two books of poetry for children, and designed signage for more than 300 hot dog vending carts.

I am an ambitious and highly creative team-player, with a strong work ethic and an eye for detail. I am ready for a creative position within an organization that allows me to work in a pleasant environment with other creative people on stimulating, challenging projects.
