

Professional Experience and Curriculum Vitae

Hello, I'm an Indian graphic designer passionate about challenges and products. I'm a dedicated and dynamic person, that likes to understand everything in the world around me, interact with people and finding new interactions for my design. Teamwork, communication and users are the pillars of my design thinking. I Hope to acquire a job as a junior graphic designer? and contribute in designing appealing visuals for print and web media. To gain Experience in working in a team and ?handling all project functions
