Professional Experience and Curriculum Vitae
a dozen eggs is a branding and advertising design partnership co-founded by Joanne Lloyd and Frances Collins, based in Loughborough, East Midlands.

We provide creative, original and successful brand solutions, stand alone logos, and advertising campaigns in order to help new products and start-up businesses get their feet off the ground.

Our services extend to existing businesses too. It may be time for a website re-launch, a fresh advertising campaign or a brand makeover to brush away the cobwebs and give your business a new lease of life.

Your brand is a vital part of your business' DNA - as you grow it should grow with you.
