Professional Experience and Curriculum Vitae

I trained as a graphic designer and worked as one for a number of years. Always had an interest in photography, lighting etc.

For the last 10 years or so, I have been getting really involved in my photography and now operate a library of my own images, (about 20 000 at this stage) as well as doing briefed shoots for clients. Shoot people, travel, natural history, industrial, product stuff, boudoir etc.

Previous Clientele

various from medical to industrial to motor retail (Mercedes Benz)
