Awards and Accolades

Albert Normandin, Photographer

Born and raised in the small French community of Maillardville in Coquitlam, B.C. At an early age, photography captured Albert's interest.

Searching for his vision, while working his way through careers in the technical and graphic arts industry. Eventually Albert escaping to New York City to work for the legendary Jay Maisel and finally take on photography.

Upon returning to Canada, he began challenging himself with a full range of photographic assignments. With three decades in the industry, he has assembled an extensive list of clients, awards and accomplishments for his efforts.

With his lifelong dedication to his personal photography, he has amassed a substantial body of work. From his experiments with light and motion, work with performers and travels deep into the more obscure parts of the World.

Albert continues to challenge himself in new directions and destinations. His latest addiction is Myanmar (Burma).

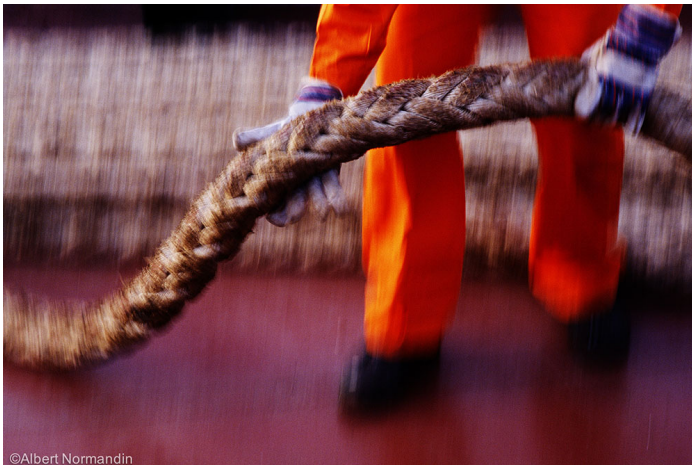

Awards and Accolades

Applied Arts, AR 100 Show, Communication Arts, Graphex, Art Directors Club, HOW Magazine, Lotus Awards, New York Festival, Pica Awards
