Professional Experience and Curriculum Vitae

Varishtha Infotech has been providing IT Managed Services to various clients across the UAE. The Main MSP Dubai Services we offer are: Annual Maintenance Contracts (AMC) and Remote IT Support Services. Our IT Team is adept in analysis, troubleshooting, and solutions implementation. We follow a system of 'Proactive IT Support' and compared to a 'Reactive' Model. Our aim is to provide a sustainable and predictable IT Brand for our clients that is efficient and cost-effective. We serve our clients as a trusted IT department offering integrity in each and every customer interaction, innovation, assurance and value.
