## **Professional Experience and Curriculum Vitae**

A few weeks ago I was compelled to find a new job. Luckily I was attached by Hampshire Healthcare Ctr (Basingstoke), placed in North Hampshire Hospital. I really love its placement. It is in Basingstoke, at Aldermaston Road. It was established on 14-09-2009 and got Y02776 code. Our telephone number is 01256 477720. I'm pleased to work for the organisation with Q70 high level health geography code. My passions are: reklama online, ships, online shopping and horses.
