Professional Experience and Curriculum Vitae

Alexandre Cappi, 34, is a Brazilian photographer graduated in advertising and journalism. He created the first image bank of Latin America specialized in travel and outdoor sports: BrStock. Most of the images are Brazilian, but it also includes foreign countries like New Zealand, Peru, Bolívia, Argentina, Malaysia, Switzerland, France, Italy, Holland and some Caribbean islands. His image bank feed governmental institutions and associations as ABETA, States Tourism Secretariat, National Tourism Ministry and others. Living in São Paulo, Cappi works as a freelance photographer for over 20 magazines in Brazil, and also for Getty Images.
