Professional Experience and Curriculum Vitae

I'm Alice and I'm an illustrator and graphic designer working in (from) Bucharest, Romania. After finishing The National University of Arts from Bucharest, while working at a corporation in parallel, I decided to risk it all and work exclusively freelance. My client list includes names from all over the world (the US, UK, France, Middle East, India, Australia).

My main inspirations are fashion and Romanian mythology. I love to print my designs on luxurious, silk garments.
