Professional Experience and Curriculum Vitae

Alternative Aesthetics (otherwise known as Colin Kersley) creates black and white / monochrome illustrations for advertising, editorial, murals, packaging and more. You name it, I want to create something for it! My style is bold with clean lines, a bite to its personality, and a twist of humour where appropriate.

Previous Clientele

IKEA / CBS / GSMA / ESPN / Degrenne Paris / Atlantic Books / Science(ish) / Secret7" / Clwb Ifor Bach
