Professional Experience and Curriculum Vitae

If you're looking for a nice mix of experience, creativity and personality, I think you've just found it.

From expert planning to location expertise, from the best crews in town to perfect digital delivery, I don't skimp on the details. Executive portrait? Annual report? Ad campaign with locations in five states? Super. When do we start?

Be sure to check out my Recommendations and Clients pages, too. And be sure to give me a call if you'd like to talk about your shoot. Any time.

Thanks for stopping by.
