Professional Experience and Curriculum Vitae
Altous Auto Parts & Servicing has been providing car repairs and maintenance services to our customers in Dandenong and nearby suburbs. With decades of experience in the automotive industry, we are able to diagnose mechanical repairs and fix them right away, regardless of their complexity. Our car mechanics stay on top of all the latest technology to deliver quality car service to our customers. Apart from automotive repair, we also stock and supply genuine, used and certified auto parts for all makes and models. Our used car parts come with warranty, providing complete peace of mind and satisfaction to our buyers. Every part we deliver undergoes a meticulous inspection to meet the highest quality standard and to ensure your safety on the road. Whether you need car service or used auto parts, we provide a quick solution to get you back on the road. Call 03 9794 7727 and find out how we can help you.
