Professional Experience and Curriculum Vitae

I am a sculptor employed full-time at a studio that treats me very generously. I find it hard to believe that I get paid to do what I love, with a group of people I respect. I idle time, love to read about love mantra chant to make someone love you. I am satisfied, which is a rare thing in life, and am still waiting for the dream to end. It feels really good to be an artist and to make a good piece of work.
