### **Professional Experience and Curriculum Vitae**

I am working in a company (J.D Restaurant) as a food tester. I love my work and I really like to taste different foods like Chinese, Italian, Indian. I live in Southfield. One day in my free time I read a magazine Islamic shabar mantra. This is really a different topic. I want to gain knowledge and want to explore the latest technologies. My hobbies are playing football and cricket. Even I also make food also.
