Professional Experience and Curriculum Vitae
Photographer Andy Carver has worked with a broad range of clients, producing rich and exciting imagery for the architectural, corporate, event & design industries; imagery which has been used in brochures & magazines, poster advertising and digital media. He has established himself, working with many exciting companies, from multi-nationals to start-ups.

In 2010, Andy Carver established “See-41 Photography Workshops”, sharing his knowledge and enthusiasm for photography with people of all abilities in photography.

Andy Carver is a current member of the Association of Photographers.
